

## **OSU Endeavor Center Virtual Incubation**

**Virtual incubator clients are businesses who utilize one or more of the services available in the OSU Endeavor Center but do not occupy space within the facility. This type of incubation can provide small businesses with a professional appearance, such as a bona fide business address, receptionist phone support and high speed printer and copy support.**

**At minimum, a mailbox is required to be considered a virtual incubator client of the OSU Endeavor Center.**

**The rates and services available are listed below, billed monthly;**

<b><u>Service</u></b>	<b><u>Cost</u></b>
